Edifício White 2880

CATÁLOGO DIGITAL

SOLUÇÕES INOVADORAS E VERSÁTEIS!

Nossa linha de ACM para revestimento de fachadas combina resistência, estética e eficiência. Os painéis de ACM da ProjetoAlumínio® oferecem tecnologia de ponta e matéria-prima de origem americana, atendendo aos mais rigorosos padrões internacionais de qualidade, segurança e desempenho.

Somos únicos no Brasil com **Dupla Garantia!**

As chapas de produção nacional contam com garantia contra defeitos de fabricação da ProjetoAlumínio® e com a garantia de performance da pintura Sherwin-Williams®, referência mundial em durabilidade e acabamento. O resultado são revestimentos desenvolvidos com tecnologia exclusiva, que combinam desempenho, resistência e versatilidade para projetos que exigem o melhor.

Presentes em obras de todos os portes, em todo o Brasil e em diversos países, nossos painéis elevam o padrão da arquitetura contemporânea.

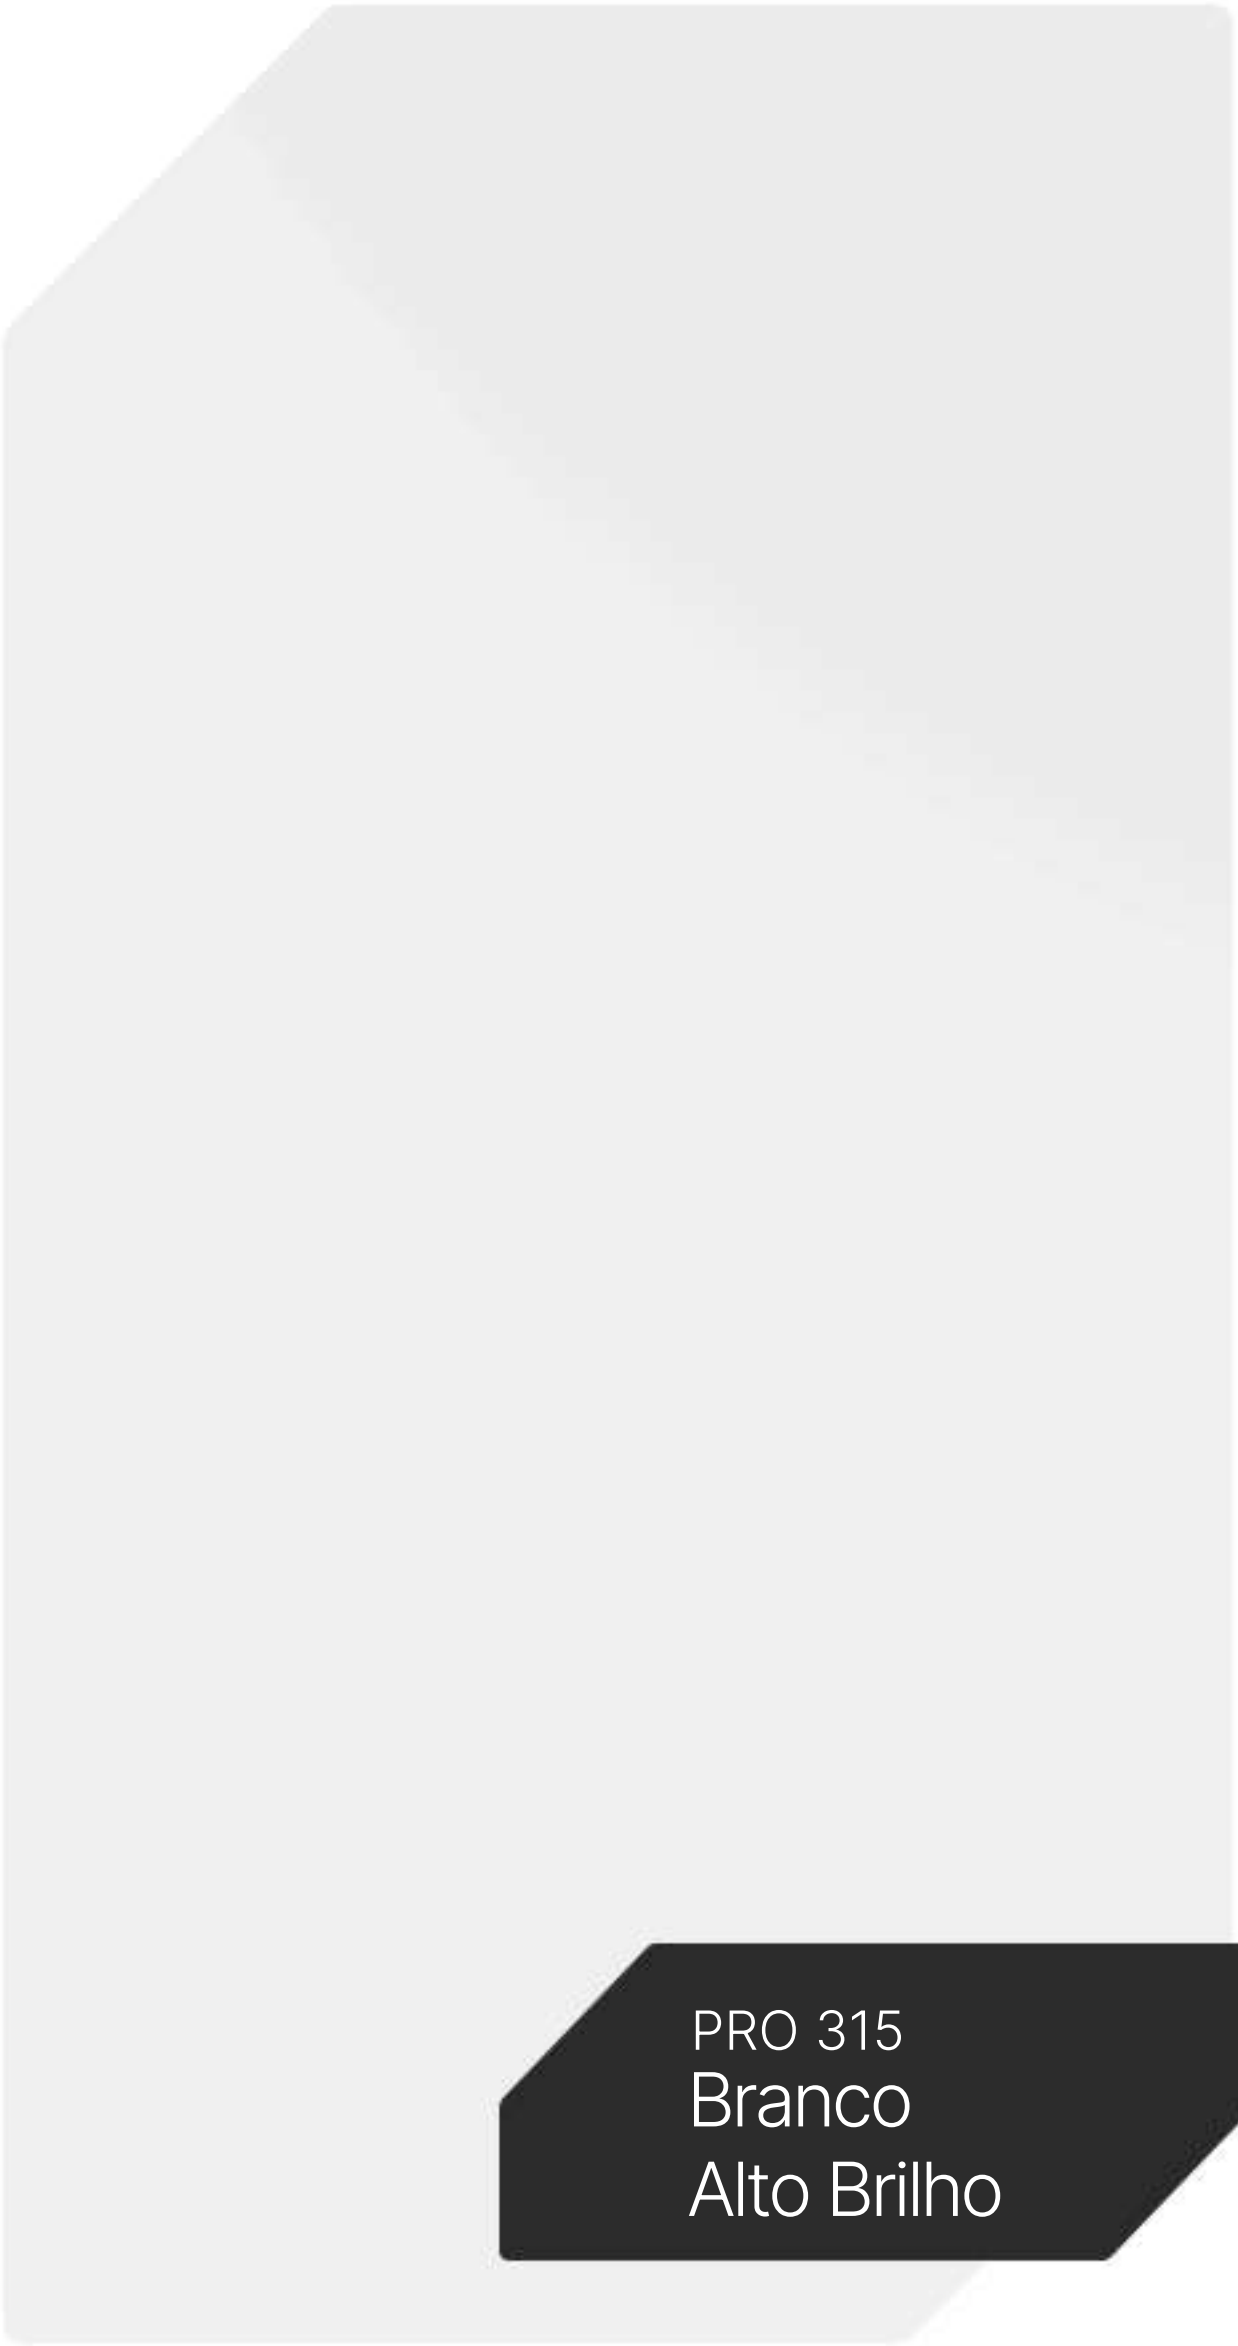

Atenção: As cores e texturas apresentadas neste catálogo digital podem sofrer variações de tonalidade conforme configuração da tela, além de possíveis diferenças entre lotes de produção. Para maior precisão na escolha, recomendamos a verificação das amostras físicas do produto.
